CHILDREN'S AGRICULTURAL LITERACY BOOK BUNDLE

Minnesota Agriculture in the Classroom reviewed hundreds of books. The following 22 quality titles are offered in a “book bundle” for your convenience. These selected titles provide a wonderful variety of fact and fiction, covering the wide spectrum of topics and content that represents plants, animals, agriculture, and the food and fiber systems. A portion of the proceeds from the sale of these bundles will be donated to **Minnesota Agriculture in the Classroom** to further advance the program’s mission and goals of serving and advancing K-16 education about agriculture.
