

Application for Growing Season Export Inspection 20

Instructions:

- Complete a separate application for each field.
- Do not create duplicate applications for the same field. Varietal changes do not require a new application.
- Return applications to the Export Certification Program at the address listed above.
- Do not send payment with your application. Invoices will be mailed after the inspection has been completed.
- DEADLINE for submitting an application is July 1st. Applications received after July 1st may not be accepted.
