

Financial Assistance Programs

Additional Grants, Rebate, Compensation and Advocate Programs

Agricultural Chemical Response & Reimbursement Account

Reimburses costs incurred while cleaning up agricultural chemical (pesticide and fertilizer) incidents.

Compensation for Crops Damaged by Elk

Reimburses farmers and ranchers for crop damage caused by elk in parts of Minnesota.

Wolf Depredation Compensation

Reimburses livestock owners for losses caused by wolves and offers tips to prevent wolf depredation.

Dairy Profitability & Enhancement Teams

Teams of professionals help producers increase farming profitability and make a plan to transfer their farm to the next generation.

Dairy Business Planning Grant

Grants encourage dairy business planning and modernization activities of Minnesota dairy farms.

Specialty Crop Grants

Grants help specialty crop growers increase the competitiveness of fruits and vegetables, tree nuts, dried fruits, horticulture and nursery crops, including floriculture.

Forest Protection Reserve Appropriation

Grants aid municipalities and organizations in preparing for new infestations of emerald ash borer or to respond to existing infestations.

Wolf-Livestock Conflict Prevention Grants

Grants to cover costs of approved practices to prevent wolf-livestock conflicts

Minnesota Agricultural Water Quality Certification Program (MAWQCP) Financial Assistance Grant

Grants of up to \$5,000 for producers seeking certification under the MAWQCP.

Minnesota ROPS Rebate Program

70% rebates for tractor rollover protective structures (ROPS) with a maximum out-of-pocket cost of \$500. Call 1-877-ROPS-R4U and press 2.

Farm Advocate Program

Our Farm Advocate Program provides farmers, small business operators and other residents with one-on-one assistance in accessing federal aid and other resources available to them in a time of crisis.

Bee Kill Compensation Program

Allows for compensation to beekeepers when an MDA investigation determines “acute pesticide poisoning” as the cause of hive death.

For more information about these programs, contact:

Minnesota Department of Agriculture

625 Robert Street North

St. Paul, MN 55155

Office: 651-201-6000

All financial assistance programs are subject to changes and applicant eligibility. Please visit the MDA's Grants, Loans, & Financing webpage for more information at www.mda.state.mn.us/grants.aspx.

In accordance with the Americans with Disabilities Act, this information is available in alternative forms of communication upon request by calling 651-201-6000. TTY users can call the Minnesota Relay Service at 711. The MDA is an equal opportunity employer and provider.

Agricultural Growth, Research and Innovation (AGRI) Program

The AGRI Program awards grants and other forms of financial assistance to create agricultural jobs and support profitable businesses. **For a complete list of AGRI Grants, visit www.mda.state.mn.us/grants/agri or call the MDA Grants Hotline at 651-201-6500.**

Livestock Investment Grants

Grants provide a 10% reimbursement for the purchase, construction, or improvement of buildings or facilities for livestock production.

Value-Added Equipment Grants

Grants provide 25% of the cost of equipment or physical improvements that will add value to/increase sales of Minnesota agricultural products.

Value-Added Feasibility Study Grants

Reimbursement available for conducting a feasibility study that will add value to and increase the sales of Minnesota agricultural products.

Crop Research Grants

Grants fund 100% of the costs associated with applied research to improve agricultural product quality, quantity and/or value.

Urban Agriculture Grants

Grant funds cover up to 100% of equipment or physical improvement purchases and/or labor for urban youth agricultural education and urban agriculture community development projects.

County Fair Grants

All Minnesota county fairs receive funds to preserve and promote Minnesota agriculture.

Sustainable Agriculture Demonstration Grants

Grants are available to cover 100% of on-farm research and demonstrations exploring sustainable agricultural practices.

Minnesota Pavilion Space Cost-Share

Offsets 50% of the costs associated with exhibit space at regional, national and international trade-only events. Minnesota companies that grow, make or process food/agricultural products are eligible.

Tradeshow/Demonstration Support Program (TSP)

Cost-sharing of booth space and other expenses at wholesale food tradeshows and support for in-store product sampling demonstrations.

Agricultural Growth, Research and Innovation (AGRI) Program

Bio-incentive Program

Provides production payments to encourage commercial-scale production of advanced biofuels, renewable chemicals, and thermal energy production from biomass. Payments available for chemicals containing at least 51% bio-based content, and biomass thermal energy; or for fuels that meet the greenhouse gas benefit requirements of the EPA's Renewable Fuels Standard.

Beginning Farmer Farm Business Management (FBM) Scholarship

Scholarships pay 50% of tuition costs of FBM education for beginning farmers. Funds support 8-10 credits per academic year, with a maximum of 40 cumulative FBM credits per student.

Farm to School/Early Care Education Grants

Grants available to increase the purchase and use of Minnesota agricultural products in food service programs. Equipment grants provide 50% of the cost of equipment purchases and planning grants provide 75% of the costs associated with developing a farm to institution plan of action.

Good Food Access Program (GFAP) Technical Assistance Grants

Grants provide up to 75% of costs of providing needs-based technical assistance to food retailers in eligible areas.

Good Food Access Program (GFAP) Equipment/Physical Improvement Grants

Grants reimburse 100% of costs for retailers to buy equipment/make physical improvements to increase the availability of and access to affordable, nutritious and culturally appropriate food in eligible areas.

Good Agricultural Practices/Good Handling Practices (GAP/GHP) Cost-Share Program

Provides 75% reimbursement of costs associated with GAP/GHP certification.
