

## MINNESOTA PESTICIDE LABEL & SDS SUBMISSION CHECKLIST

### NEW PRODUCT REGISTRATIONS Rev. 09/2018

#### Instructions:

1) Submit a label and a safety data sheet (SDS) for each new product registration using ONE of the following means:

- a. On a CD (Minnesota Department of Agriculture, ATTN: Paula Rose, Pesticide & Fertilizer Management, 625 Robert Street North, St. Paul, MN, 55155-2538)
- b. ALSTAR

NOTE 1: E-mail submission is no longer accepted

NOTE 2: All labels and SDSs must be submitted in text-searchable pdf format.

2) Submit a completed Pesticide Label Submission Checklist (page 2 of this document) each time you submit a label or group of labels, using ONE of the following means:

- a. Printed copy in the mail (see address above) along with the labels on CD, if you submit the labels via CD.
- b. Printed copy in the mail (see address above), if you submit the labels via ALSTAR. When submitting labels via ALSTAR, make sure to specify "ALSTAR" and the date submitted to ALSTAR in the table below.
