

# Financial Assistance Programs

# Additional Grants, Rebate, Compensation and Advocate Programs

## **Agricultural Chemical Response & Reimbursement Account**

Reimburses costs incurred while cleaning up agricultural chemical (pesticide and fertilizer) incidents.

## **Compensation for Crops Damaged by Elk**

Reimburses farmers and ranchers for crop damage caused by elk in parts of Minnesota.

## **Wolf Depredation Compensation**

Reimburses livestock owners for losses caused by wolves and offers tips to prevent wolf depredation.

## **Dairy Profitability & Enhancement Teams**

Teams of professionals help producers increase farming profitability and make a plan to transfer their farm to the next generation.

## **Dairy Business Planning Grant**

Grants encourage dairy business planning and modernization activities of Minnesota dairy farms.

## **Specialty Crop Grants**

Grants help specialty crop growers increase the competitiveness of fruits and vegetables, tree nuts, dried fruits, horticulture and nursery crops, including floriculture.

## **Forest Protection Reserve Appropriation**

Grants aid municipalities and organizations in preparing for new infestations of emerald ash borer or to respond to existing infestations.

## **Wolf-Livestock Conflict Prevention Grants**

Grants to cover costs of approved practices to prevent wolf-livestock conflicts

## **Bee Kill Compensation Program**

Allows for compensation to beekeepers when an MDA investigation determines "acute pesticide poisoning" as the cause of hive death.

## **Beginning Farmer Tax Credit**

[www.mda.state.mn.us/bftc](http://www.mda.state.mn.us/bftc)

The Minnesota Beginning Farmer Tax Credit provides tax credits for the rent or sale of farm land or a variety of farm assets to beginning farmers. This includes incentives for the sale of farm land.

## **Minnesota Agricultural Water Quality Certification Program (MAWQCP) Financial Assistance Grant**

Grants of up to \$5,000 for producers seeking certification under the MAWQCP.

## **Minnesota ROPS Rebate Program**

70% rebates for tractor rollover protective structures (ROPS) with a maximum out-of-pocket cost of \$500. Call 1-877-ROPS-R4U and press 2.

## **Farm Advocate Program**

Our Farm Advocate Program provides farmers, small business operators and other residents with one-on-one assistance in accessing federal aid and other resources available to them in a time of crisis.

## **For more information about these programs, contact:**

### **Minnesota Department of Agriculture**

625 Robert Street North  
St. Paul, MN 55155  
Office: 651-201-6000

All financial assistance programs are subject to changes and applicant eligibility. Please visit the MDA's Grants, Loans, & Financing webpage for more information at [www.mda.state.mn.us/grants.aspx](http://www.mda.state.mn.us/grants.aspx).

In accordance with the Americans with Disabilities Act, this information is available in alternative forms of communication upon request by calling 651-201-6000. TTY users can call the Minnesota Relay Service at 711. The MDA is an equal opportunity employer and provider. File Name: Financial Assistance Programs Brochure.indd 9/19/19

# Agricultural Growth, Research and Innovation (AGRI) Program

The AGRI Program awards grants and other forms of financial assistance to create agricultural jobs and support profitable businesses. **For a complete list of AGRI Grants, visit [www.mda.state.mn.us/grants/agri](http://www.mda.state.mn.us/grants/agri) or call the MDA Grants Hotline at 651-201-6500.**

## **Livestock Investment Grants**

Grants provide a 10% reimbursement for the purchase, construction, or improvement of buildings or facilities for livestock production.

## **Value-Added Equipment Grants**

Grants provide 25% of the cost of equipment or physical improvements that will add value to/increase sales of Minnesota agricultural products.

## **Value-Added Feasibility Study Grants**

Reimbursement available for conducting a feasibility study that will add value to and increase the sales of Minnesota agricultural products.

## **Crop Research Grants**

Grants fund 100% of the costs associated with applied research to improve agricultural product quality, quantity and/or value.

## **Urban Agriculture Grants**

Grant funds cover up to 100% of equipment or physical improvement purchases and/or labor for urban youth agricultural education and urban agriculture community development projects.

## **County Fair Grants**

All Minnesota county fairs receive funds to preserve and promote Minnesota agriculture.

## **Sustainable Agriculture Demonstration Grants**

Grants are available to cover 100% of on-farm research and demonstrations exploring sustainable agricultural practices.

## **Minnesota Pavilion Space Cost-Share**

Offsets 50% of the costs associated with exhibit space at regional, national and international trade-only events. Minnesota companies that grow, make or process food/agricultural products are eligible.

## **Tradeshow/Demonstration Support Program (TSP)**

Cost-sharing of booth space and other expenses at wholesale food tradeshows and support for in-store product sampling demonstrations.

# Agricultural Growth, Research and Innovation (AGRI) Program

## Bio-incentive Program

Provides production payments to encourage commercial-scale production of advanced biofuels, renewable chemicals, and thermal energy production from biomass. Payments available for chemicals containing at least 51% bio-based content, and biomass thermal energy; or for fuels that meet the greenhouse gas benefit requirements of the EPA's Renewable Fuels Standard.

## Beginning Farmer Farm Business Management (FBM) Scholarship

Scholarships pay 50% of tuition costs of FBM education for beginning farmers. Funds support 8-10 credits per academic year, with a maximum of 40 cumulative FBM credits per student.

## Farm to School/Early Care Education Grants

Grants available to increase the purchase and use of Minnesota agricultural products in food service programs. Equipment grants provide 50% of the cost of equipment purchases and planning grants provide 75% of the costs associated with developing a farm to institution plan of action.

## Good Food Access Program (GFAP) Technical Assistance Grants

Grants provide up to 75% of costs of providing needs-based technical assistance to food retailers in eligible areas.

## Good Food Access Program (GFAP) Equipment/Physical Improvement Grants

Grants reimburse 100% of costs for retailers to buy equipment/make physical improvements to increase the availability of and access to affordable, nutritious and culturally appropriate food in eligible areas.

## Good Agricultural Practices/Good Handling Practices (GAP/GHP) Cost-Share Program

Provides 75% reimbursement of costs associated with GAP/GHP certification.
