Exemption Requested

I (we) are applying for an exemption to slaughter and process poultry for direct sales to consumers. I (we) understand that we are limited to the number of poultry we can sell and that the poultry products must only be sold from our farm. Type an "X" in the appropriate box.

- Selling less than or equal to 1,000 poultry per calendar year
- Selling between 1,000 and 5,000 poultry per calendar year
- Selling between 5,000 and 20,000 poultry per calendar year
- Candling and grading shell eggs for sales to restaurants, grocery stores, or farmer's markets.

Agreement and Certification

When an exemption is granted by the Minnesota Department of Agriculture to sell eggs without a food handler license, I (we) agree to conform to Minnesota Statutes Section 29 and Minnesota Rules 1520 in regard to the candling, grading and handling of eggs. We have a copy of the appropriate rules and regulations and will strictly adhere to them. I (we) are aware that any violations of state requirements may cancel this exemption.
