Instructions

Submit a representative sample from your seed lot in the seed mailing envelope. A representative sample is required for proper analysis and is the responsibility of the submitter. Amount of sample needed for analysis is listed on the envelope. Include a check made payable to Commissioner of Agriculture along with this form indicating the tests you wish to have performed. Please call if you have any questions.

We offer half price off regular germination prices during October and November on carryover seed only. To take advantage of this special please enclose an expired or soon to expire seed label along with the sample. Samples must be received between October 1st and November 30th to qualify for this discount.
