

The AGRI Program awards grants and other forms of financial assistance to create agricultural jobs and support profitable businesses. **For a complete list of AGRI Grants, visit www.mda.state.mn.us/grants/agri or call the MDA Grants Hotline at 651-201-6500.**

Beginning Farmer Farm Business Management (FBM) Scholarship
Scholarships pay 50% of tuition costs of FBM education for beginning farmers. Funds support 8-10 credits per academic year, with a maximum of 40 cumulative FBM credits per student.

Biofuels Infrastructure Grants
Awarded on competitive basis, grants provide up to 65% reimbursement (\$199,000 maximum) to retail service stations meeting eligibility criteria for replacing or upgrading equipment for dispensing E15 and higher blends.

Bio-Incentive Program
Application time frame: Summer/Fall
Provides production payments to encourage commercial-scale production of advanced biofuels, renewable chemicals, and thermal energy production from biomass. Payments available for chemicals containing at least 51% bio-based content, and biomass thermal energy; or for fuels that meet the greenhouse gas benefit requirements of the EPA's Renewable Fuels Standard.

County Fair Grants
All Minnesota county fairs receive funds to preserve and promote Minnesota agriculture.
Application time frame: August – February

Crop Research Grants
Grants fund 100% of the costs associated with applied research to improve agricultural product quality, quantity and/or value.
Application time frame: September – November

Farm to School
First Bite Grants fund 100% and Full Tray Grants fund up to 50% of cost to increase the purchase and use of Minnesota agricultural products in food service programs. Additional equipment grants cover 50% of the cost of equipment purchases used to increase F2S efforts.
Application time frame: August – December

Good Agricultural Practices/Good Handling Practices (GAP/GHP) Cost-Share Program
Provides 75% reimbursement of costs associated with GAP/GHP certification.
Application time frame: Year–Round

Good Food Access Program (GFAP) Equipment/Physical Improvement Grants
Grants reimburse 100% of costs for retailers to buy equipment/make physical improvements to increase the availability of and access to affordable, nutritious and culturally appropriate food in eligible areas.
Application time frame: October – January

Good Food Access Program (GFAP) Technical Assistance Grants
Grants provide up to 75% of costs of providing needs-based technical assistance to food retailers in eligible areas.
Application time frame: October – January

Livestock Investment Grants
Grants provide a 10% reimbursement for the purchase, construction, or improvement of buildings or facilities for livestock production.
Application time frame: August – November

Meat, Poultry, Egg, and Milk Processing Grants
Approximately 25% reimbursement available for meat, poultry, egg, and milk processors' cost of equipment or physical improvements that support processing and capacity, and will increase sales of Minnesota agricultural products.
Application time frame: August – October

New Markets Program
Supporting the growth of Minnesota food and beverage companies, the New Markets Program matches those entities' investments in high-impact marketing activities such as eCommerce, digital marketing, e-mail marketing, B2B trade shows, data acquisition, marketing consulting, and store demos..
Application time frame: Year–Round

Sustainable Agriculture Demonstration Grants
Grants are available to cover 100% of on-farm research and demonstrations exploring sustainable agricultural practices.
Application time frame: August – December

Urban Agriculture Grants
Grant funds cover 100% of equipment or physical improvement purchases and/or labor for urban youth agricultural education and urban agriculture community development projects.
Application time frame: October – January

Value-Added Equipment Grants
Grants provide 25% of the cost of equipment or physical improvements that will add value to/increase sales of Minnesota agricultural products.
Application time frame: January – February

Agricultural Growth, Research and Innovation (AGRI) Program

Additional Grants, Rebate, Compensation and Advocate Programs

Agricultural Chemical Response & Reimbursement Account
Reimburses costs incurred while cleaning up agricultural chemical (pesticide and fertilizer) incidents.

Bee Kill Compensation Program
Allows for compensation to beekeepers when an MDA investigation determines “acute pesticide poisoning” as the cause of hive death.

Beginning Farmer Tax Credit
www.mda.state.mn.us/bftc
The Minnesota Beginning Farmer Tax Credit provides tax credits for the rent or sale of farm land or a variety of farm assets to beginning farmers. This includes incentives for the sale of farm land.

Compensation for Crops Damaged by Elk
Reimburses farmers and ranchers for crop damage caused by elk in parts of Minnesota.

Dairy Business Planning Grant
Cover 50 percent of the cost to hire a qualified, independent third party to create a business plan for a dairy operation.

Dairy Profitability & Enhancement Teams
Through a partnership with the Minnesota Dairy Initiative, offers teams of professionals to help producers increase farm profitability and make plans for farm transitions.

Down Payment Assistance Grant Program
\$15,000 for farmers earning less than \$250,000 annually in agricultural sales to purchase their first farm. Annual funding cycles begin in July. Grants cannot be applied retroactively to sales that have already taken place.

Farm Advocate Program
Our Farm Advocate Program provides farmers, small business operators and other residents with one-on-one assistance in accessing federal aid and other resources available to them in a time of crisis.

Grain Storage Facility Safety Cost-Share
Reimburses 75% of the purchase and installation of eligible safety equipment up to \$400 per bin or silo (\$2,400 per farm) per year.

Minnesota Agricultural Water Quality Certification Program (MAWQCP) Financial Assistance Grant
Grants of up to \$5,000 for producers seeking certification under the MAWQCP.

Minnesota ROPS Rebate Program
Provides a 70% rebate for installing tractor rollover protective structures (ROPS) with a maximum out-of-pocket cost of \$500. Call 877-ROPS-R4U (877-767-7748).

Specialty Crop Grants
Grants help specialty crop growers increase the competitiveness of fruits and vegetables, tree nuts, dried fruits, horticulture and nursery crops, including floriculture.

Soil Health Financial Assistance Pilot Program Grants
The Soil Health Financial Assistance Grant provides cost-share for producers or local government units for the purchase of new, used, or retrofitting of equipment for adopting soil health practices.

Wolf Depredation Compensation
Reimburses livestock owners for losses caused by wolves and offers tips to prevent wolf depredation.

Wolf-Livestock Conflict Prevention Grants
Grants to cover costs of approved practices to prevent wolf-livestock conflicts
