Organizational conflicts of interest terms apply to any subcontractors for this work.

## ATTACHMENT B: EXCEPTIONS TO STATE'S TERMS AND CONDITIONS

The State reserves the right to reject, negotiate, or accept any exception listed to the State's terms and conditions (including those found in the attached Sample Contract).

#### **ATTACHMENT C: COST DETAIL**

Responders must submit Attachment C “Cost Detail” form as their Cost Proposal. The rate(s) identified in the Cost Proposal must include all costs, including but not limited to: travel expenses, mass mailings, fees, commissions, compensation, indirect costs, equipment, supplies, and other charges.

Responders are encouraged to propose additional tasks, activities, or goods above and beyond the scope of what is requested in this solicitation if they will substantially improve the results of this procurement. Any costs associated with these additional tasks, activities, or goods should be clearly marked and separated from costs associated with the tasks, activities, or goods specifically requested under this solicitation. Because cost is a factor in the evaluations of responses to this solicitation, failure to separate costs for additional tasks, activities, or goods may result in those costs being included in a responder’s cost proposal and result in a lower cost score for that proposal.

The State does not make regular payments based solely upon the passage of time; it only pays for services performed or work delivered after it is accomplished.

Submit the Attachment C: Cost Detail as a separate document(s) from your technical response for all copies of the Proposal. Do not include any cost information in the Technical Proposal part of the response. The Proposal must be open for acceptance until a contract is executed, the Solicitation is cancelled, or 180 days after the due date and time of the Solicitation, whichever comes first.

Responder must complete the chart below for each identified deliverable. The State reserves the right to negotiate additional tasks within the scope of this solicitation with the highest scoring responder.
