

Pesticide &amp; Fertilizer Management Division

## Application for Registration of New Specialty Fertilizer Products

For application questions see the [Specialty Fertilizer Registration](#) page  
or email us at [Fertilizer.Registration.MDA@State.MN.US](mailto:Fertilizer.Registration.MDA@State.MN.US).

Registration Year:		License Period: January 1 - December 31 (registration fee is not pro-rated for a partial year's registration)								
Do you currently hold a Specialty Fertilizer MN License? Place an "X" in the box for Yes or No:    Yes    No					If Yes, Minnesota License No. #:					
Your 8-digit MN license number can be found using <a href="#">MDA's Registered Product Search</a> . Search by company or product name. The 8-digit license number is in the column of the search notes. Note, a company may hold multiple licenses in MN.										
<b>Guarantor</b> (name/address on label, firm guaranteeing products(s))				<b>Registrant</b> (complete if different from guarantor)						
Legal Name:				Legal Name:						
DBA (if different):				DBA (if different):						
Contact (if no registrant):				Contact:						
Address:				Address:						
City:				City:						
State:		Zip Code:		State:		Zip Code:				
Phone:				Phone:						
<p>Submit list of products below and place an "X" in all boxes that apply. <b>Genetically Engineered</b>: the product contains/does not contain organism(s) that have been modified using genetic engineering. <b>Per- or polyfluoroalkyl substances (PFAS)</b>: the product contains/does not contain intentionally added PFAS defined as "a class of fluorinated organic chemicals containing at least one fully fluorinated carbon atom." <b>Arsenic</b>: the product contains/does not contain more than 500 parts per million by weight of arsenic. See MDA's <a href="#">Specialty Fertilizer Registration</a> page for further information.</p> <p><b>Data submitted through this form is public unless the applicant requests the commissioner to consider their data trade secret, and the commissioner determines the data to be trade secret (MINN. STAT. 18C.405).</b></p>										
Item #	Guaranteed Analysis			Complete Brand Name of Product (If more space is needed, please attach a list of additional products)	Genetically Engineered		PFAS		ARSENIC >500ppm	
	Total Nitrogen (N)	Available Phosphate (P2O5)	Soluble Potash (K2O)		YES	NO	YES <sup>1</sup>	NO	YES	NO

5										
<sup>1</sup> If you indicated the presence of intentionally added PFAS in a product you must provide additional product data starting in 2026. Please visit the MDA's <a href="#">PFAS Reporting</a> webpage for instructions on how to complete the data submission. See MDA's <a href="#">PFAS Page</a> for further information on PFAS regulations.										
Step 1: Send an electronic copy of this form with text-searchable PDF files of the product label for each product listed above to MDA at <a href="mailto:Fertilizer.Registration.MDA@State.MN.US">Fertilizer.Registration.MDA@State.MN.US</a> . Step 2: Print the completed form and mail with check payment to MDA Cashier (address listed below). Application will not be processed without product labels and payment.										
<b>Registration Fee Schedule</b>					<b># of Products</b>	<b>Amount</b>	<b>Amount Due</b>	<b>Account #</b>
