Minnesota's premier organic agriculture conference brings together 450+ farmers, food businesses, researchers, agricultural professionals, and advocates from across the Midwest and beyond. Over two days, attendees come together to learn, connect, discover new ideas, and strengthen Minnesota's organic agriculture community.

Connect with your audience

Reach farmers, agricultural professionals, food businesses, and others who are actively engaged in organic agriculture.

Showcase what you do

Put your products, services, and innovations in front of a highly engaged audience through our 80+ booth tradeshow and conference programming.

Build meaningful connections

Create opportunities to connect with potential customers, partners, and collaborators in a welcoming, community-focused environment.

Support organic agriculture

Minnesota's organic agriculture community together to share knowledge, build relationships, and shape the future of organic farming and food.
