

## AGRI MILK COOLER GRANT

### 2019 REQUEST FOR PROPOSALS

The Minnesota Department of Agriculture (MDA) is now accepting proposals for the AGRI Milk Cooler Grant Program. This grant opportunity is intended to support schools and early care and education (ECE) organizations increase access to cold milk and increase consumption of Minnesota milk and dairy products. This program is new for School Year 2018-2019.

The MDA anticipates awarding up to \$22,500 to assist Farm to School and ECE organization in purchasing milk coolers for use in meal programs. Each school may apply for up to \$1,500.00. A maximum of three proposals will be accepted from each school district. Eligible costs include the costs of milk coolers and associated installation expenses.

### ABOUT AGRI

The MDA Agricultural Growth, Research, and Innovation Program (AGRI) was established to advance Minnesota's agricultural and renewable energy industries (MS 41A.12). This program focuses on areas of greatest opportunity and potential economic impact to create agricultural jobs and profitable businesses in the areas of livestock investment, value-added business and market development, and renewable energy. The AGRI Farm to School and Farm to Early Care and Education Grant Program and the AGRI Milk Grant Program targets schools and early care organizations that are increasing the use amount of Minnesota grown and raised foods in their nutrition programs.

### ELIGIBLE APPLICANTS

Proposals will be accepted from two types of applicants:

- Public or private schools or school districts that are a part of the National School Lunch Program (NSLP) and serve food to preschool and/or K-12 students.
- ECE organizations that are enrolled in Child and Adult Care Food Program (CACFP) and serve, on average, at least 30 breakfasts or 30 lunches daily, based on average daily participation rates in August and/or September 2018. Examples of ECE organizations include, but are not limited to Head Start, Early Head Start, preschool programs, child care centers and child development centers.

### REVIEW PROCESS

A committee of MDA staff and external reviewers will review all proposals using the evaluation criteria. Applicants, both successful and unsuccessful, will be notified in writing approximately four weeks following the proposal deadline.

## GRANT AWARD AGREEMENT AND PAYMENT

Upon approval of a proposal, the applicant will be required to:

- Register as a vendor in SWIFT, the State's accounting; and
- Sign a Grant Award Agreement indicating their intention to purchase and install a milk cooler. The agreement also authorizes the MDA to monitor progress of the project.

Grantees must provide details of each purchase on receipts or invoices and proof that the vendors have been paid. Equipment purchases must be made and claims must be submitted by May 31, 2019. Payments to a school or ECE organization may not exceed the total cost of the equipment purchase. Payments to grantees will only be made after the MDA receives this information. Grantees will be sent a brief survey a year after the grant period to assess impacts of the equipment purchased with grant funds.

TIMELINE	
<b>October 1, 2018</b>	Applications available on MDA website
<b>November 16, 2018</b>	Applications due by 4:00 pm CST
